S I R :

Upon a review of the REMARKS in the last AMENDMENT filed  
June 24, 2004, applicants noted an obvious clerical error which  
was not corrected before the AMENDMENT was filed. Thus, this is  
being filed to clarify the statement. More specifically, at lines  
12 and 14, the salts of Fidoe et al. were referred to as "THP"  
salts when they should have referred to --THP\*-- salts. This is  
obvious from a cursory review of the reference in question.

Respectfully submitted,
